

LAHBIBE

BARONE

FUTURE GAME
PROGRAMMER

ABOUT ME

My name is **Lahbibe Barone**, I live in **Belgium**, currently studying at **Haute École Albert Jacquard** specializing in **game programming**. I truly love video games and I discovered programming when I was about 14 years old. Since then, I have always wanted to create my own games. I'm **hardworking** and **self-motivated**. I have an **artistic mind** and I'm **known** for my **efficiency** and, **most importantly**, I'm **able to take criticism and feedbacks**.

EDUCATION

Haute École Albert Jacquard / Namur / Belgium
2025 - Now

- Currently in **second year** of five
- Specialized in **game programming**
- Studying to achieve the **Master in video games**

HELHA / Charleroi / Belgium
2024 - 2025

- Bachelor's degree in Industrial Computing (Interrupted)

Institut Sainte-Anne / Gosselies / Belgium
2018 - 2024

La Bellavita / Fontaine-l'Évêque / Belgique
2021 - 2023

- **Student job** as a **restaurant employee**
- Teamwork in small team / responsibilities

PERSONAL INTERESTS

I love discovering new video games, like recently Potion Craft or Slots & Daggers.

I practice a lot of sport like going to the gym or playing football, and I love trying new ones.

Recently I really like to watch movies with my friends to expand my knowledge of cinema.
